Are you living with a loved one who has dementia?

Are you having difficulty thinking about upcoming family gatherings and holiday celebrations? *Do you sometimes feel like you just can't cope?*

Please join us for an engaging, interactive workshop to learn new ways to enjoy the holidays with your loved one & improve your relationship!

Toni Reinhart is a Certified Dementia Practitioner, a Positive Approach to Care™ (PAC) Certified Trainer, and recipient of Insight Memory Care's Excellence in Memory Care Award. She has helped hundreds of people learn to understand and communicate with their loved ones living with dementia.

Her informative, interactive workshops have helped educate community service groups, hospital staff, church congregations, and family care givers to live and work better with people living with dementia.
